NAGAR Newsletter - April 2005

Friends, nagars, countrymen,

क़ुम छी?

It has been a while since our last newsletter and we are excited to let you know of all the developments that have occurred since then.

The following pages will tell you what has been going on and what our plans are for the future.

We are a community organization and we will not be successful without your support. And there are various ways in which you can help – from informing us about an event in your local nagar community to suggesting ideas and services for the nagar.org website that can benefit the whole community.

We are including a concise version of the directory with the newsletter. This includes the names and the locations of all the nagar families in the database. We have additional information for many of the families (children, hometown, parents etc.) and we will include all of that in the complete directory. This concise version is for you to check if your information needs to be updated and to see if your friends and family are included in our database.

If you know of nagar families whose are absent from this directory, please let them know to add their details through the nagar.org website.

We hope to make this newsletter a regular feature and would very much appreciate any feedback.

National Nagar Convention 2006 to be held in Baltimore is being planned right now. Watch the website for the details.

Nagar Association of Greater American Regions (NAGAR) Inc.

www.nagar.org

New Executive Committee

We have a new Executive committee for NAGAR:

President: Praful Bhatt, Maryland. (Past President of Maryland Nagar mandal, active NAGAR Inc. volunteer since 1994 and a life member)

Vice President: Dhaval Kikani, Michigan. (Active local Michigan nagar and national leader since 1990, NAGAR Inc. Midwest Regional VP since 2000 and a Life member).

Treasurer: Mukul Mehta, Maryland. (Active local nagar mandal community member, and a life member.)

General Secretary: Harshal Chhaya, Texas. (NAGAR Inc. Web Master since Oct. 2002 and local nagar community member since 2002.)

The executive committee is very excited about the work ahead.

We would like to hear from you on how we can make NAGAR a better and more effective community organization.

Please feel free to call any of us or send us an email (via the [nagar.org](http://www.nagar.org) website) with your ideas, suggestions and criticism.

Nagar directory

We also have been working to make the NAGAR (<http://www.nagar.org>) website more interesting and relevant. We already have the entire NAGAR database online and are adding new features all the time.

The entire Nagar directory is now online. You can search the entire NAGAR Newsletter – April 2005

database by name or by location. We do not display all the personal details due to privacy concerns but there is enough information displayed to contact the person if you wish.

We have tried our best to update the data but it is probably incomplete and out-of-date. We have had extensive help from reps of local nagar organizations and want to thank Dhaval Kikani and Nishith Desai (Michigan), Praful Bhatt (DC, Maryland, Virginia, Delaware, Pennsylvania, West Virginia), Hemanshu Desai (NJ, NY, CT), Kirit Jha (Texas) and Kinjal Buch (Silcon Valley) for their help.

It would be very helpful if you could check on your family's entry and make sure that it is up-to-date. If there is some information that needs to be updated, you can do it yourself at the website. And if you have any questions and comments, please let us know.

New Projects

We will be launching a new 'Community News' section in a next few weeks and would very much appreciate your inputs. It will be regularly updated and will provide a central resource for all the news and happenings in our community. So if you have any news about births, weddings, educational or professional achievements, events or anything else in your family or in your community that you want to share with your fellow nagars, let us know. If your local nagar organization holds a 'paatotsav' or a Diwali dinner please share the details (see

http://www.nagar.org/Baltimore_Patotsav_2003.html and

http://www.nagar.org/Michigan_picnic

Nagar Association of Greater American Regions (NAGAR) Inc.

www.nagar.org

[2003.html](#) for examples.) This effort can only succeed with your support.

We are also launching a '**book exchange**' on the website where members can let others know of books that they are willing to share. If you have any books that you want to get rid of, consider listing them in this section.

We would like the website to be a useful resource for the community. So if you have any ideas or suggestions on what would make the site more useful, please let us know.

We would also like to highlight any creative projects – essays, poems, paintings etc. – on the website. We might also include these in future newsletters.

Matrimonials, Obituaries, Graduations

We would like to use this newsletter to share news of events like graduations or other academic successes, weddings and deaths.

We will also publish matrimonial inquiries in the newsletter as well as on the website.

This service is free for members.

Classified Ads

If you would like to advertise your services or any goods for buying/selling/trading, please send us your ad. Your ad will be placed on the nagar.org website and will be included in the next newsletter.

This service is free for members.

NAGAR Newsletter – April 2005

Annual Fees

We would like to remind everyone that your membership fees are crucial for the NAGAR organization to function. Your fees help NAGAR perform its tasks and connect the community. We could not run the website and add new services without your financial support.

If you have not already paid your 2005 dues, please do so at the earliest.

The fees are \$30 annually for a family and \$20 for a single person.

Please mail your check to Praful bhai Bhatt at:

Praful Bhatt
6 Bellrock Court
Baltimore MD 21236

Thank you for your support.

Local Nagar Organizations

We have received tremendous support and encouragement from all the local nagar organizations. We have listed them below. If your city or state has a nagar association and it has not been included below, please send us the details. You can also see this list on our website at
